Nick Scheible joined Lerner, Csernai & Fath Family in 2016. He came to the group after spending the last seven years with Big Rapids Public Schools as the Finance Director and Athletic Director. Before that, Nick spent three years in the banking/mortgage industry with Rock Financial and then with Isabella Bank.

Nick currently holds his series 7 and 66 designations with the Financial Industry Regulatory Authority. He graduated with a Bachelor's Degree in Marketing from Ferris State University in 2005 and a Master's Degree in Business Administration from Ferris State in 2010. While at Ferris State University, Nick was also a member of their Division 1 Hockey program and during his final two seasons he was a Captain of the team.

Nick has spent almost his entire life in Big Rapids and that has allowed him to see many positive changes over the years. He is very excited to have joined a team in Lerner, Csernai & Fath Financial that shares his values of affecting change in our community through being involved and active. Nick is currently the President of the Mecosta County Community Foundation and a part of the Ferris State University Athletic Advisory Committee. He is also past president of the Mecosta County Chamber of Commerce and a graduate of the Leadership Mecosta Program. Nick believes deeply in being involved in our community and giving back to the community that has given so much to him.

His biggest accomplishment and the most important thing to Nick is his family, his wife Melissa and their two sons, Rowan and Grady. He and his wife are raising their family to have the same community values that have been instilled in Nick. They love going to games and supporting local teams, they enjoy the arts offered in Big Rapids, and they love spending time traveling and participating in outdoor activities

We can get you there.
